

3RD INTERNATIONAL SCIENTIFIC CONFERENCE

**„Central Industrial District as the potential for
development and innovation in constructions
and technologies of special purpose”**

The Faculty of Mechanics and Technology

Rzeszow University of Technology

HSW S. A., Stalowa Wola

HOTEL DUO** SPA & WELLNESS, Rezydencja Sosnowa, Janów Lubelski**

7 – 9 June 2022

ORGANIZERS

**THE FACULTY OF
MECHANICS
AND TECHNOLOGY**
RZESZOW UNIVERSITY OF TECHNOLOGY

PURPOSE AND SCOPE OF THE CONFERENCE

The main purpose of the conference is to present the offer and research possibilities for the industry. There will also be a possibility to exchange experiences, views and knowledge between universities and companies in order to tighten cooperation with Polish enterprises. During the conference, it is planned to present the latest achievements in the field of materials science, construction and technology of special applications, as well as an exhibition of equipment and research and scientific apparatuses.

The topics of the conference concern issues in the field of: special technologies (including: welding, foundry, plastic processing, mechanical working and assembly), modern tools and research, innovative techniques and methods of production, quality and organization of production as well as automation and robotization.

REGISTRATION

Applications for participation should be made by one of the two registration forms available on the conference website:

Registration of the participant with a paper:

<https://konferencjawmt.prz.edu.pl/en/conference-2022/registration/registration-of-a-participation-with-a-paper>

Registration of a participant without a paper:

<https://konferencjawmt.prz.edu.pl/en/conference-2022/registration/registration-of-a-participant-without-a-paper>
